LB 127, 539, 653A

twelve noon.

And I have amendments from Senator Lamb to LB 653A, and to 539. (See pages 2464-65 of the Legislative Journal.)

I have a report of registered lobbyists for the week of May 17 and Public Works offers confirmation report, Mr. President. That is offered by Senator Schmit as Chair. That's all that I have.

PRESIDENT: Now we're ready to proceed into LB 127 for a one-half hour debate time which will begin when the proponent first begins to speak.

CLERK: Mr. President, 127 was offered by Senator DeCamp. (Title read.) The bill was read on January 11, referred to the Ag and Environment Committee, advanced to General File. There are committee amendments pending. (See committee amendment found on page 1048 of the Legislative Journal.)

PRESIDENT: All right. What committee is that? Senator Rod Johnson, do you have committee amendments?

SENATOR R. JOHNSON: Mr. President, a very simple change by the Agriculture Committee. The amendment simply changes the termination date from October 30, 1992, to June 30, 1992. That is specifically the amendment and it is very simple and the bill was brought to us by Senator DeCamp as noted and I think it's in good shape. So with that I'd move the committee amendment.

PRESIDENT: The time of the discussion on the bill has begun for a half hour limit. There is an amendment to the committee amendments.

CLERK: Mr. President, Senator Rupp would move to amend the committee amendments. (See Rupp amendment on page 2465 of the Legislative Journal.)

SENATOR RUPP: Mr. Speaker and colleagues, a question of Senator DeCamp if he would yield.

SENATOR DECAMP: Yes.

SENATOR RUPP: Senator DeCamp, how much money approximately does this program raise a year?
